HD DECK® **DUAL**
A Composite Prime Product

HD Deck® Dual is our most natural looking wood plastic composite deck. With its 'capped' design creating a protective layer that offers **maximum protection** against stains, fading and the elements for an extra long life, HD Deck® Dual takes composite decking to the next level.

The deck is made from **FSC® 100% hardwood flour** and **recycled plastic** which combine to produce a high quality finished product that outperforms traditional treated timber.
