ARC PUSH BUTTON PRIVACY

Easy to fit - suitable for both DIY and trade customers
Reduced fitting time - ideal for joiners and tradesmen
Simple - rotating latch bolt for universal handing

Simply press the button to lock the handle and then operate the lever as normal to release the lock. Emergency release for outside access

PUSH BUTTON PRIVACY
Push Button Privacy is Available With ALL Designs On This Leaflet

SMARTLATCH
SAVE TIME AND MONEY

The Smartlatch has been specifically designed to enhance the aesthetics of a door. The Smartlatch can be used with any of our door handles on a round or square rose and backplate furniture. A privacy latch is also available, this will only work with our 'Arc' push button privacy levers
